

## **Regarding COVID-19 infectious disease prevention measures**

**Please take note of and agree to the following points before participating in this event.**

**Please refrain from visiting if any of the following situations apply.**

- 1) You have a fever of 37.5 degree or higher
- 2) You have cold symptoms such as cough, runny nose, sputum, sneezing and sore throat.
- 3) You have fatigue, breathlessness, chest discomfort
- 4) Your close people, such as family members and co-workers, are suspected of being infected with COVID-19.
- 5) You have other symptoms of COVID-19 infection
- 6) Within 14 days prior to your visit to the venue, you have traveled to a country or region where the government has announced entry restrictions or an observation period after entry. Or you have close contact with residents of applicable area. (Close contact: 2 meters or less, 2 hours or more)

**Please cooperate with the following infectious disease prevention measures when visiting the venue. If you do not cooperate, we may decline your visit.**

- 1) Hand disinfection with a disinfectant solution when visiting
- 2) Prevention of splash infection by wearing a mask
- 3) Implementation of temperature measurement when visiting
- 4) Distributed visits to limit the number of visitors
- 5) Submission of health check sheet

Please note that personal information may be disclosed at the request of government when an infected case occurs.

\* The above is the countermeasures as of August 3, and the contents may be added or changed if needed.
